MARCEL PAOLO DE CASTRO MAGBUAL

WEB AND MOBILE DEVELOPER

📍 596 Maningding Santa Barbara Pangasinan
📞 +639971338186
✉ magbualmarcel@gmail.com

CAREER OVERVIEW

I am determined on what I do especially when it comes to programming and developing. When a problem comes, I persistently keep finding a solution and also refactoring it. Had some projects with my professors, batch mates, and professionals. Because of them, I gained so much experience when it comes to using Git and other technologies like React, Flutter, and etc...

Overall, I am still young and willing to learn something new.
